## New Community Sign

Work is underway for the remodeling of Sign Island. On Saturday, June 21<sup>st</sup> the members of the beautification committee removed most of the scrubby and trees from around the community sign. Special thanks goes to Cheri Guy, Lisa Bender, Bonnie Kellough, Bill Cornelous, Craig Hughs, and Kathy Stahl for their hard work.

The next step in the remodeling process is working with an electrician to run the electricity for lights and a receptacle. At the same time, the committee is working with a sign and graphics company to design a new community sign. Once the electricity and sign have been installed new shrubbery will be added around the sign.

If you are interested in participating in this project or future projects please contact me at 410-544-9515. Any assistance would be greatly appreciated.

## Police Beat

Recently, residents of Carrollton Manor have been robbed, and have had their cars damaged by vandals.

Carrollton Manor is not immune to thefts and destruction of property. Even with a Security Patrol we still need your help in eliminating crime in our community. It is going to require all residents to get involved.

If you see suspicious behavior, even during the day, please contact the police immediately. They are aware of our issues and will respond promptly.

We provide advertising space to residents and local businesses. Below is a list of rates for advertising. Please contact Dianne Hayner, 410-544-9515, to advertise in the next issue of The Eagle.
